	)	
Defendant.	)	

THIS MATTER having come before the Court on the stipulated motion of the parties for a continuance of the trial and the pretrial motions due date, docket no. 17, and the Court having considered the facts set forth in the motion, the speedy trial waiver executed by Mr. White, and the records and files herein, the Court finds as follows:

The Court finds that the ends of justice will be served by ordering a continuance in this case, that a continuance is necessary to ensure adequate time for effective case preparation, and that these factors outweigh the best interests of the public and the defendant in a speedy trial.

1. A failure to grant the continuance would deny defense counsel the reasonable time necessary for effective preparation, taking into account the exercise of due diligence, within the meaning of 18 U.S.C. § 3161(h)(7)(B)(iv). In addition, the failure to grant a continuance in the proceeding would be likely to result in a miscarriage of justice, within the meaning of 18 U.S.C. § 3161(h)(7)(B)(i).
